## KEY FEATURES

Pragmalux LED Recessed spotlight Ponto Square is a square recessed spot with 1 or 2- LED modules with a high light output of more than 3000lm and only a cutting size of Ø117mm. This makes this fixture ideal for use as basic light in rooms with a high ceiling or where high light output is essential. The recessed spot can be tilted 30° and is ideally suited for professional use in shops, hotels and showrooms.

In addition, the downlight Ponto has an integrated Philips SLM LED module with a CRI> 90 value, so that colors are displayed excellently. The recessed spot is available in different colors and light beams. This product comes with an external premium Philips Xitanium driver.
